

E-Check Payments are Simple, Safe and Effective. They are also the best way to take full advantage of Invoice payment terms.

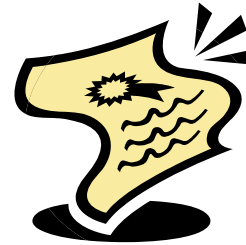

It's Easy!

Create an original check.

Across the check write: *Authorized for Deposit*

Scan and Email to admin@grogroup.com or

Copy and Fax to Gro Group Accounting: 978-692-9270.

You're done!

Do not mail the original check.

You may want to staple it to the invoice(s) you are paying for record keeping purposes.

Gro Group's software program prepares a check acceptable to your bank and ours.

Manufacturers and Retailers alike find this payment option saves time and money!
